So do I tell them, when I'm working and how do I get paid

I'm going to be writing the checks. Keep it hush hush

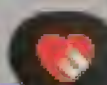

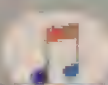

Your the man

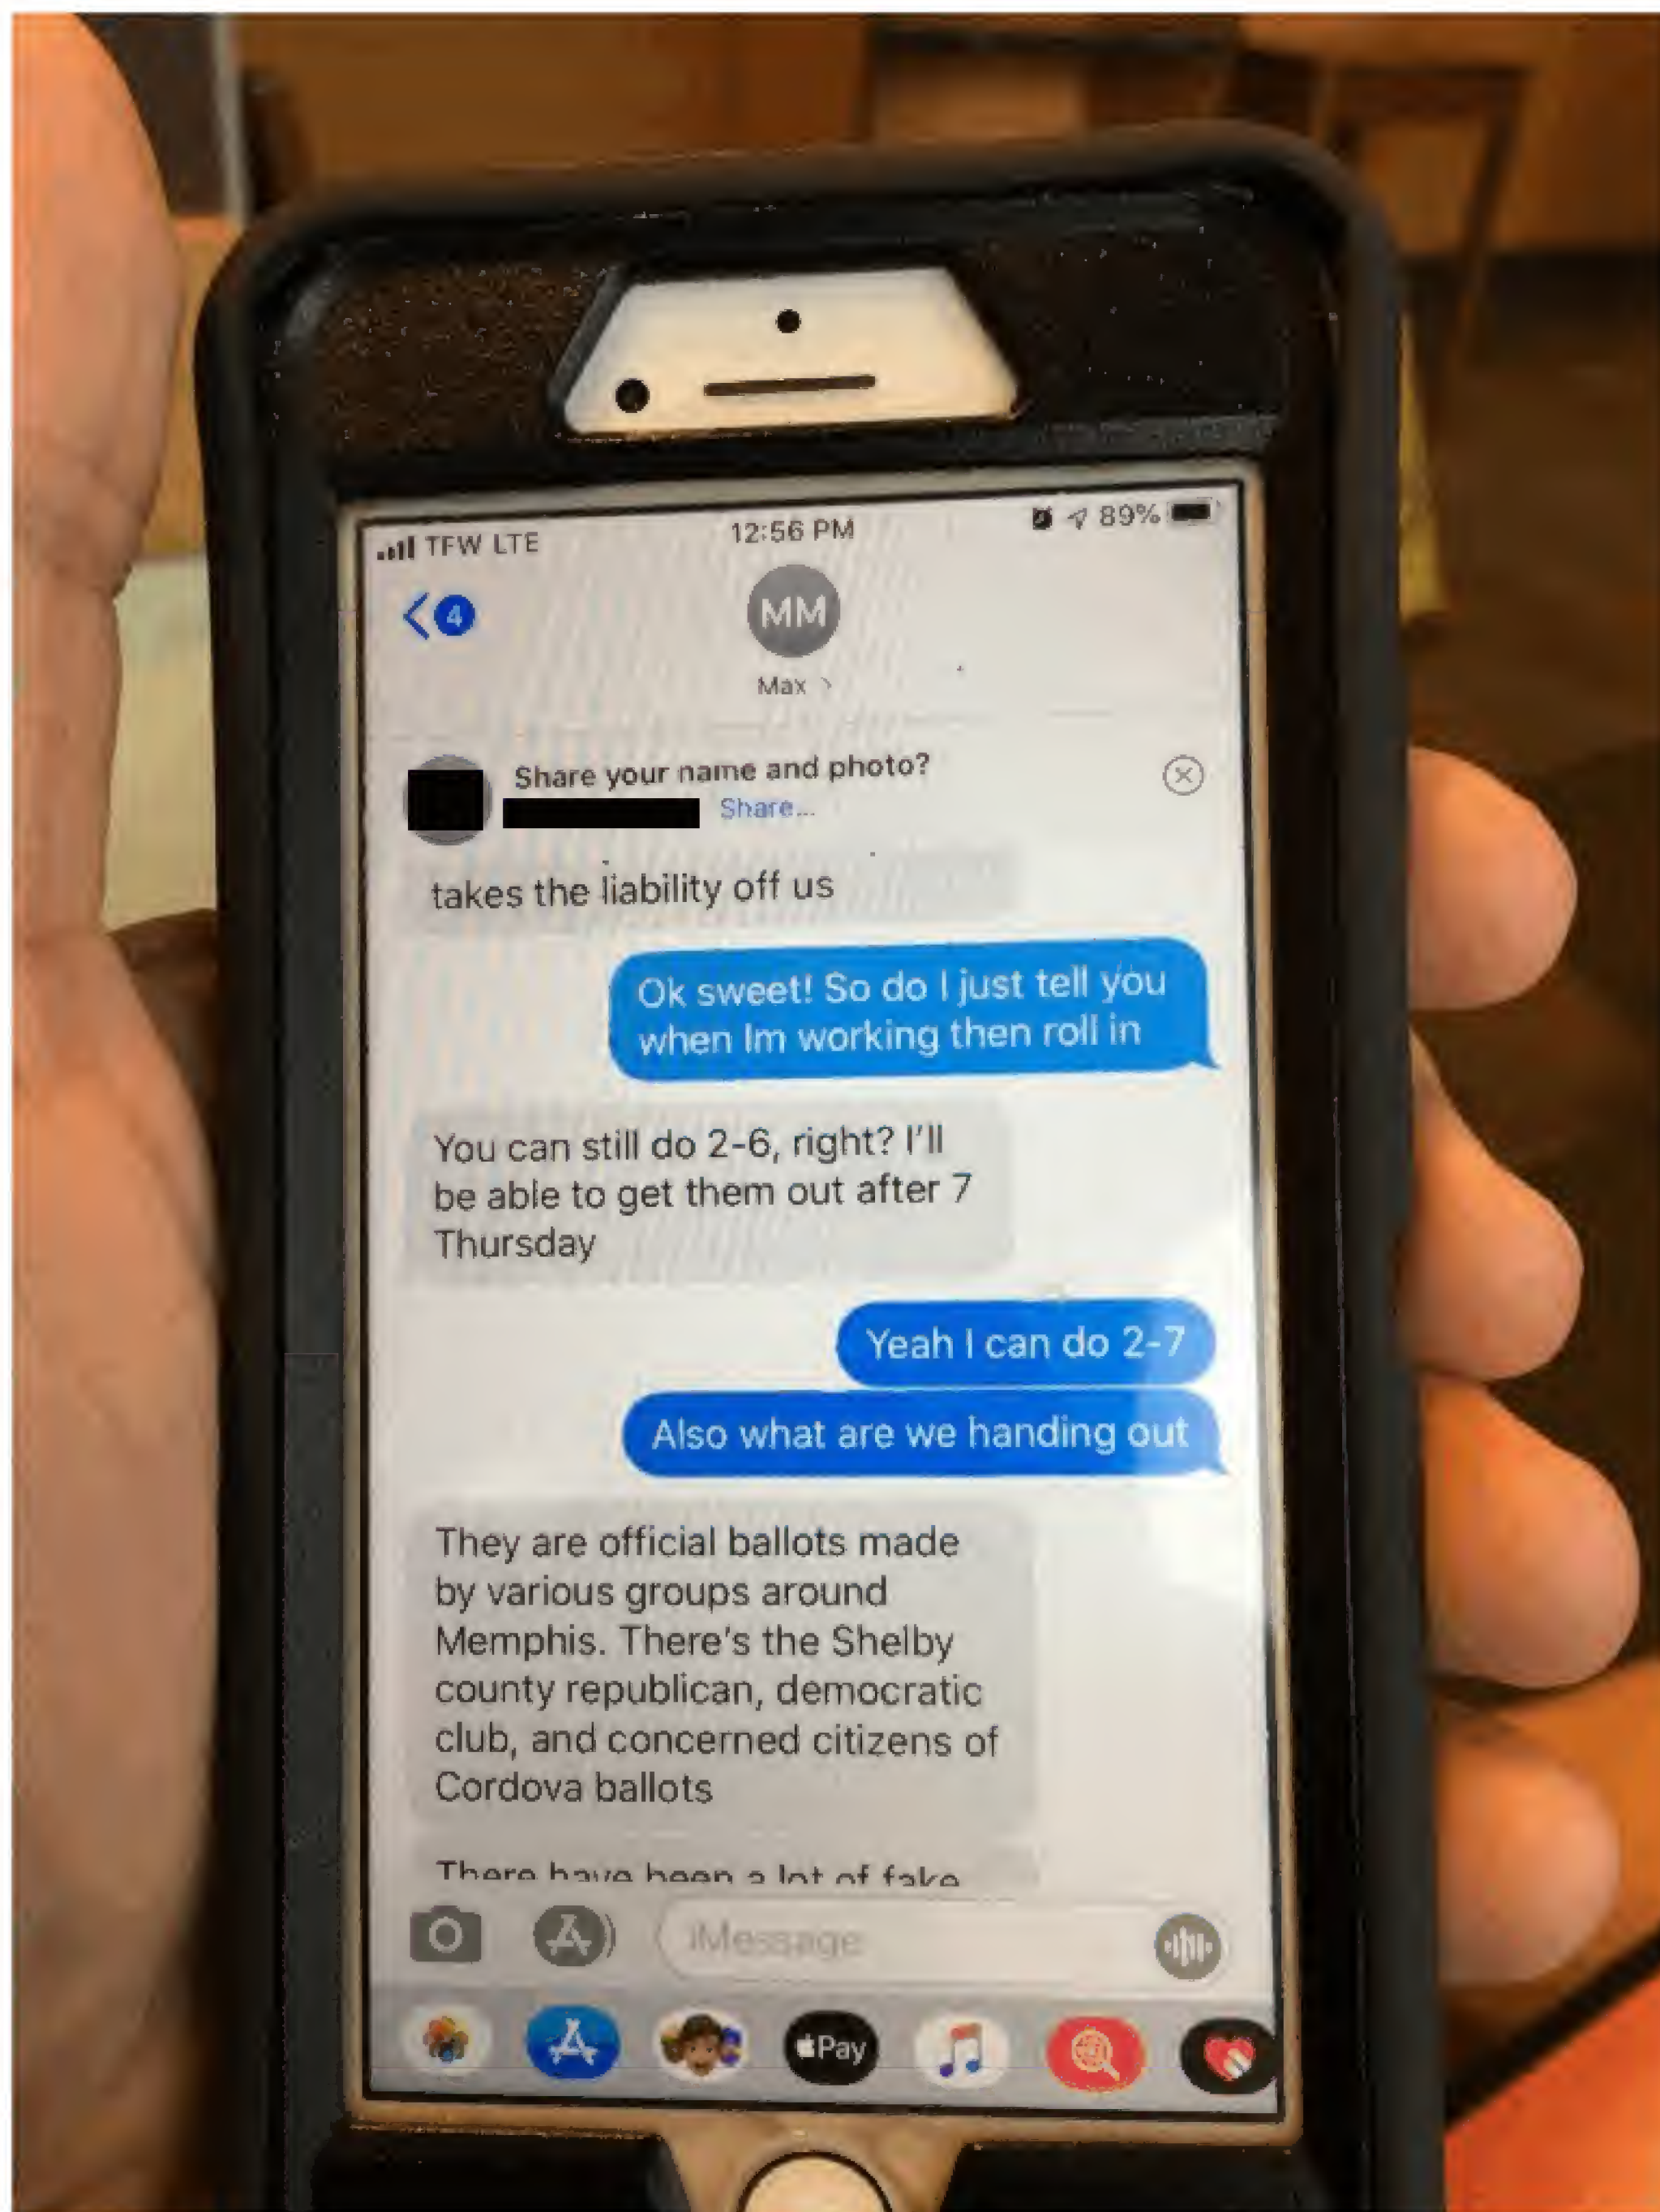

They'll hopefully be done Thursday night. So you can get them then, but you'll definitely get it Friday at the latest

We also need you to fill out a W9 when you come in. You won't be making enough to have to report it on taxes, but it takes the liability off us

There have been a lot of fake ballots circulating around so we want to inform voters of the ballots that have been trusted for years

Sounds good, ill roll to the info sesh tomorrow at 3 and then come thursday 2-7

actually come out

Can you guys do something about this

The guy posting that lost by a landslide. That's something. We can't have the pic taken down since it's a public area, but I'll toss an extra \$40 in

That must have been the pike, right?

Ok I gotcha and I think it was that guys wife
